Kid's Christmas Party

From Worthy President

I would like to take a moment to reflect on 9/11. Watching the ten anniversary, I saw different political parties, religions, race, union and nonunion all set aside our differences, to remember and reflect and celebrate the building of the memorial at ground zero. The patriotism, loyalty and love of country, how lucky to be an American.

In my first news letter I talked about keeping harmony in the club and working on increasing the membership. Those are still my goals. We realize at times there will be descent, if we are polite and respectful it will be resolved. Please feel free to call or talk to me at the club.

The pig and corn is over, and a big thanks to the chairpersons. Joe Mento and Jan Karrick. The committees, Becky, Debbie, Trustees and to all who volunteered. Once again thank you. The Aerie's busy season is starting. Fish fry, burger night and entertainment. We need volunteers for fish and burger crews, if you can help contact Joe, Jano, the Trustees or me.

I still need to fill a few committees – Building Committee, Interviewing Committee and Membership Committee, if interested call or contact me at the Aerie. Happy Halloween and may your Thanksgiving be full of joy!

Fraternally,

Kurt LaDuc
Worthy President

Shared from a friend.... Too meaningful not to pass along

When I was a kid, my mom liked to make breakfast food for dinner every now and then. And I remember one night in particular when she had made breakfast after a long, hard day at work. On that evening so long ago, my mom placed a plate of eggs, sausage, and extremely burned biscuits in front of my dad. I remember waiting to see if anyone noticed! Yet all my dad did was reach for his Biscuit, smile at my mom and ask me how my day was at school. I don't remember what I told him that night, but I do remember hearing my mom apologize to my dad for burning the biscuits. And I'll never forget what he said: "Honey, I love burned biscuits." Later that night, I went to kiss Daddy good night and I asked him if he really liked his biscuits burned. He wrapped me in his arms and said, "Your momma put in a long hard day at work today and she's real tired. And besides... a burnt biscuit never hurt anyone!" You know, life is full of imperfect things... and imperfect people. I'm not the best at hardly anything, and I forget birthdays and anniversaries just like everyone else. What I've learned over the years is that learning to accept each others faults and choosing to celebrate each others differences, is one of the most important keys to creating a healthy, growing, and lasting relationship. So...please pass me a biscuit. And yes, the burned one will do just fine! And please pass this along to someone who has enriched your life... I just did! Life is too short to wake up with regrets... Love the people who treat you right and forget about the ones who don't.

Tuesday Men's Golf League Report –Congratulations to Jody Paradis / Brian Centers (1 half) Champions and Craig Hamilton and Gil Opaleski (2nd Half) Champions. Overall in the shootout for final “league champion” it resulted in a tie. With the aid of the Rules Committee, and agreement was made,- they would all Share as the Leagues 2011 Champions. Stats were computed weekly, assisting in our weekly Skins, Averages, Score cards, Handicap Skins. Unfortunately, there wasn't enough computing to make anyone a millionaire, but we ALL sure had fun in playing and reviewing the 5000 stats made available. The most memorable moment was we had a member not get a hole in one.. But a “Hole in Bag” Somehow, Larry Hess managed to hit a ball, hit the ground, and have it go right in his Partners bag. What a shot !!! Mathematician odds calculate this as a one in a Billion shot. Anyone interested in joining next year can do so; leave message at club attention *Golf Secretary D.C. Raley.*

Birdies and Eagles Golf Report... At time of this writing we are still finishing the Year. Team Judy Foglio & Larry Evans have a Commanding lead. With Position day left, team Dave Johnson & Sue Compton are nipping at their heels. Now on this League we did Have a HOLE IN ONE.. Sybil Knake Hit Hole Number 6 on Hawk course at Pineknob G.C. Congratulations Sybil !!!! PLUS, yes we had a Hole in Pocket, as Marlene's ball traveled off target by 85 degrees to hit Kurt Mason in the side, and after he walked off - he reached in his pocket to find the white rascal went right in. The remainder of the year is all about our banquet Outing, Held at Boulder Point on Sept 24th. 52 people all MEMBERS!!!! *Golf Secretary D.C. Raley*

Christmas is just around the corner and we will again be adopting a family for the holiday. If you or someone you know is related to a Clarkston Eagles Member that is in need this holiday season please find the application form in the vestibule at the club. Fill it out and put in envelope and leave behind the bar for Becky and Debbie and we will see what we can do. Last year we helped 3 families. Deadline for applications are November 15th. The tree will go up around Thanksgiving with tags with the items requested as well as boxes for food and cleaning supplies that will be given to the family. Please see the poster at the club for more info. We always have a huge amount of support for this and it is really appreciated. The names of the families will not be revealed to give the families privacy.

Shared from a friend.... Too meaningful not to pass along

When I was a kid, my mom liked to make breakfast food for dinner every now and then. And I remember one night in particular when she had made breakfast after a long, hard day at work. On that evening so long ago, my mom placed a plate of eggs, sausage, and extremely burned biscuits in front of my dad. I remember waiting to see if anyone noticed! Yet all my dad did was reach for his Biscuit, smile at my mom and ask me how my day was at school. I don't remember what I told him that night, but I do remember hearing my mom apologize to my dad for burning the biscuits. And I'll never forget what he said: "Honey, I love burned biscuits." Later that night, I went to kiss Daddy good night and I asked him if he really liked his biscuits burned. He wrapped me in his arms and said, "Your momma put in a long hard day at work today and she's real tired. And besides... a burnt biscuit never hurt anyone!" You know, life is full of imperfect things... and imperfect people. I'm not the best at hardly anything, and I forget birthdays and anniversaries just like everyone else. What I've learned over the years is that learning to accept each others faults and choosing to celebrate each others differences, is one of the most important keys to creating a healthy, growing, and lasting relationship. So...please pass me a biscuit. And yes, the burned one will do just fine! And please pass this along to someone who has enriched your life... I just did! Life is too short to wake up with regrets... Love the people who treat you right and forget about the ones who don't.
